**Raffle: Weatherby 300 magnum:** Lafayette Gun Club is raffling off a Weatherby 300 magnum, given by Friends of the NRA and pictured on our website. Tickets are \$5.00 a chance with all proceeds going to Lafayette Junior Rifle Club. Only LGC members are eligible to participate. The drawing will be held at the June Annual Membership Meeting. See Patty Harris to purchase your tickets. Members do not need to be present to win.

**Dues and Elections:** Your dues notice and ballot for the election of officers is included in this mailing. Remember, dues are payable by June 1, 2007. The election will be completed and results announced at the Annual Membership Meeting.

**Junior Program Activities:** Lafayette Junior Air Rifle Teams have participated in postal and shoulder-to-shoulder matches here and in Richmond. Lafayette has earned the invitation to the American Legion State Championships in Charlottesville, and may also qualify for national matches in Western Kentucky and in Georgia over the summer. In addition, both Dani Foster and Willie Teller shot and received training at the Olympic Training Center in Colorado Springs during March. Dani brought back a bronze medal in her age class in International Air Rifle!

The Junior Teams continue to grow, and now include two Precision Air Rifle Teams, four Sporter Air Rifle Teams, and a Smallbore Rifle Team.

Turkey shoots, run as a money raising project by and for the Juniors will be "on vacation starting in June and continuing until October.

The Juniors regret the loss of long-time coach Don Rummier, who died April 1, 2007 after a long illness.

**Swap Meets:** LGC swap meets are held from 0900 until 1400 on the second Saturday of odd numbered months from March through November. All members are invited and reminded that dealer setups are not permitted.

**Club Communications:** We need to remind all members that when you change address, telephone number and/or your E-mail address, notify the office so that we can keep in touch with you. Also, whenever you communicate with us, please include your membership number (last seven digits on your membership card) to ensure that we respond to the correct member.

**Range Repair and Cleanup:** The Board reminds the membership that it is in everyone's interest to prevent damage to our indoor and outdoor ranges. Monitor your own target placement and the target placement of those around you to ensure that all bullets will impact in the center of the backstop. Targets which are too high or too low result in damage to the ceiling and pulley system indoors and to the berms and baffles outdoors.

**Shotgun Range:** The Shotgun Range has Range Officers assigned during normal weekend operating hours. For more information relative to operation and use of the shotgun range please contact Joe Vallow [vallow@infionline.net](mailto:vallow@infionline.net). Watch for signs listing scheduled Shotgun Range Officer training.

**NRA Precision Air Rifle Three-Position Matches.** Lafayette Gun Club is sponsoring NRA three-position precision air rifle matches on the third Sunday of each month, starting at 9:00 am in February. For more information, or to reserve a place in one of the matches, contact Brooke Selmer at (804)854-5780 or [brookeselmer@hotmail.com](mailto:brookeselmer@hotmail.com).

**Secondary Containment Unit** The Board is moving forward with plans to install a secondary containment unit around the current clubhouse, to be followed by upgrades of many of the facilities in the Clubhouse. We hope to limit the inconvenience, but view this as very important for all of us.

**International Blackpowder Competition:** Members interested in becoming involved in International Blackpowder Competition should contact Tony Ulisse at 868-7492 or [idrofgne40@aol.com](mailto:idrofgne40@aol.com). for further information.

**Scouts:** John (Drake) Selmer is the scout coordinator. Any scout organization desiring to utilize the club facilities may contact Drake at 757-224-0086 or [drakeselmer@cox.net](mailto:drakeselmer@cox.net).

**International Pistol:** John (Drake) Selmer is responsible for the international pistol program using the ASBF. Interested individuals should contact him [drakeselmer@cox.net](mailto:drakeselmer@cox.net), or phone 757-224-0086. Matches are presently held on the first Sunday of the month starting at 0800 hours.

This section will not only contain information for members only, but will, in the future, permit payment of dues and other transactions.
