Junior Program Activities: Two Sporter Air Rifle teams traveled to Buckingham at the end of September to compete in a Sporter Three-Position Match. The Lafayette A Team took top honors. Individually Chris Melochick, Jeremy Teller and Thomas Wheelless took medals for single positions. Will Teller finished as Top Gun overall. The Old Dominion Junior Rifle League Air Rifle matches began in October. Lafayette now fields four four-person sporter teams, and one four person precision team, with enough shooters to have a few alternates at need. On the first Saturday of each month, the Juniors are running a breakfast and lunch snackbar to raise money. Turkey shoots, run as a money raising project by and for the Juniors, resumed in October.

The Juniors are raffling off The Collector's Edition of Kalashnikov, the Arms and the Man. A Revised and Expanded Edition of the AK47 Story by Edward Clinton Bell. The book was generously donated by Frank Kapper. This volume, Number 140 of a Special Limited First Edition of 180 copies is an absolute treasure. Tickets are \$3.00 each. See Patty Harris. The drawing will be held at the Quarterly Business Meeting, Thursday December 13, 2007.

Swap Meets: LGC swap meets are held from 0900 until 1400 on the second Saturday of odd numbered months from March through November. All members are invited and reminded that dealer setups are not permitted.

Club Communications: We need to remind all members that when you change address, telephone number and/or your E-mail address, notify the office so that we can keep in touch with you. Also, whenever you communicate with us, please include your membership number (last seven digits on your membership card) to ensure that we respond to the correct member.

Construction: The construction has started on the new roof and secondary containment unit for the Clubhouse. We realize that this major undertaking may cause occasional scheduling problems and some range closures but hope the inconveniences will be minimal, and that everyone will be patient, considering the advantages we all gain from having a stronger clubhouse.

Range Repair and Cleanup: The Board reminds the membership that it is in everyone's interest to prevent damage to our indoor and outdoor ranges. Monitor your own target placement and the target placement of those around you to ensure that all bullets will impact in the center of the backstop.

International Pistol: John (Drake) Selmer is responsible for the international pistol program using the ASBF. Interested individuals should contact him drakeselmer@cox.net, or phone 757-224-0086. Matches are presently held on the first Sunday of the month starting at 0800 hours.

Grafton, Virginia 23692

NRA Precision Air Rifle Three-Position Matches: Beginning this fall, Lafayette Gun Club is sponsoring NRA three-position precision air rifle matches. The matches will be held on the evening of the third Wednesday of each month and again on the morning of the third Sunday of each month. For more information, or to reserve a place in one of the matches, contact Brooke Selmer at (804)854-5780 or brookeselmer@hotmail.com.

Prone Match Upgrade: Starting in 2008, all NRA Prone matches fired at Lafayette Gun Club will be 80 round (800 point) matches, a change from the 400 and 600 point matches we have been firing. This will allow shooters to complete their 200 rounds for classification within one season. The Juniors sponsors these matches but encourage all members of Lafayette Gun Club to participate.

Scouts: John (Drake) Selmer is the scout coordinator. Any scout organization desiring to utilize the club facilities may contact Drake at 757-224-0086 or drakeselmer@cox.net.

Shotgun Range: The Shotgun Range has Range Officers assigned during normal weekend operating hours. For more information relative to operation and use of the shotgun range please contact Joe Vallow vallow@infionline.net.

Patty Harris, Corresponding Secretary
