**Junior Program Activities:** Lafayette Gun Club was the host for the Southeastern Virginia Junior Olympics Rifle and Pistol Matches at the end of December. Thirteen of our Juniors participated in one or more of these matches, along with two other rifle shooters and four other pistol shooters. In Air Rifle, Will Teller took State Gold in Men's Air Rifle, Dani Foster tied for State Gold in both Women's Air and Smallbore Rifle, and Alan Lewis took State Gold in Men's Smallbore Rifle. All three are, or have been Lafayette shooters and will receive invitations to Colorado Springs. Juniors are also winning as teams and individuals in the ODJRL Air Rifle league, and in postal matches.

**Swap Meets:** LGC swap meets are held from 0900 until 1400 on the second Saturday of odd numbered months from March through November. All members are invited and reminded that dealer setups are not permitted.

**Club Communications:** We need to remind all members that when you change address, telephone number and/or your E-mail address, notify the office so that we can keep in touch with you. Also, whenever you communicate with us, please include your membership number (last seven digits on your membership card) to ensure that we respond to the correct member.

**Range Repair and Cleanup:** The Board reminds the membership that it is in everyone's interest to prevent damage to our indoor and outdoor ranges. Monitor your own target placement and the target placement of those around you to ensure that all bullets will impact in the center of the backstop.

**International Pistol:** John (Drake) Selmer is responsible for the international pistol program using the ASBF. Interested individuals should contact him [drakeselmer@cox.net](mailto:drakeselmer@cox.net), or phone 757-224-0086.
