Turkey shoots benefiting our Junior High Power Team resumed on October 15, and will be held on the first and third Sundays of each month thereafter.

Swap Meets: LGC swap meets are held on the second Saturday of odd numbered months from March through November. All members are invited and reminded that dealer setups are not permitted. Swap meet hours are from 0900 until 1400 hours.

Range Repair and Cleanup: The Board reminds the membership that it is in everyone's interest to prevent damage to our indoor and outdoor ranges. Please monitor your own target placement and the target placement of those around you to ensure that all bullets will impact in the center of the backstop. Targets which are too high or too low will result in damage to the ceiling and pulley system indoors and to the berms and baffles outdoors.

Shotgun Range: The Shotgun Range has Range Officers assigned during normal weekend operating hours. For more information relative to operation and use of the shotgun range please contact Joe Vallow vallow@infionline.net
